To

Hon'ble Chairperson of

National Commission for Scheduled Tribes

New Delhi

Respected Sir,

It is very unfortunate to bring into your kind notice about the following incident of autocracy on four Poor Tribal Women namely Martina Kisku, Shiuli Mardi, Thakran Soren and Malati Murmu residing within my constituency.

On 06<sup>th</sup> of April about 200 people belonging to the Tribal families under Tapan Assembly constituency of my Balurghat Lok Sabha area joined BJP. This does not went well with a section of Trinamool Leadership and those families were put into severe pressure by Goons of Trinamool Congress and some of them were forced to join TMC. Had it been done democratically, we have nothing to say, but inhuman medieval period autocracy was met out by forcing them "Dandavat Parikrama" for about 1 km as punishment before handing over the TMC Flag in the Trinamool District Party Office. The mindset of TMC leaders towards the Tribal are well known from various earlier comments including against the President, but it should not be tolerated further when our Prime Minister is doing everything for the upliftment and respect of the downtrodden and our Hon'ble President is a woman belonging to the Tribal community.

I strongly demand an inquiry against the autocracy and strict measures against those involved to upheld the sanctity of women and Tribal.

With regards,

Yours Sincerely,

**(Dr. Sukanta Majumdar)**
